

## **Policy GCK - PROFESSIONAL STAFF ASSIGNMENTS**

The primary consideration in the assignment of professional personnel will be the needs of students and the instructional program.

Personnel shall be assigned on the basis of the needs of the school system, personnel qualifications and their expressed desires, if they can be accommodated.

The building administrator will have the right to assign classes and courses within an individual school.

This assignment shall be made with full regard to the teacher's area of certification and Board policies.
