

## Policy KA - Classroom Visitation Policy

The West Bath School Administrative Unit (WBSAU) Board of Directors, teachers, and administrators strongly believe that education is a shared responsibility between parents/guardians and school personnel. At times, parents/guardians or other connected outside providers may wish to formally visit a specific student in a classroom. The principal shall be responsible for and have authority over the actions of students, professional and support staff, visitors, and connected outside providers hired to perform special tasks. To ensure a successful visitation, a set of regulations will be developed.
