

Policy IJNDB-E(2) - Internet Network Access Agreement - Parents/Guardians

Due to the nature of the Internet, it is neither practical nor possible for WBSAU to enforce compliance with user rules at all times. Accordingly, parents and students must recognize that students may be required to make independent decisions and will use good judgment in their use of the Internet.

As a parent/guardian of this student, I have read the Student Computer and Internet Use policies and rules and this Internet Network Access Agreement.

- I understand that Internet access is designed for educational purposes and that WBSAU will attempt to discourage access to objectionable material and communications that are intended to exploit, harass, or abuse students. However, I recognize it is impossible for WBSAU to restrict access to all objectionable material and I will not hold WBSAU responsible for materials acquired or contacts made on the network.
- I understand that a variety of inappropriate and offensive materials are available over the Internet and that it may be possible for my child to access these materials if he/she chooses to behave irresponsibly. I also understand that it is possible for undesirable or ill-intended individuals to communicate with my child over the Internet, that there is not practical means for the school to prevent this from happening, and that my child must take responsibility to avoid such communications if they are initiated. While I authorize staff to monitor any communications to or from my child on the Internet, I recognize that it is not possible for the school to monitor all such communications. I understand that having access to the Internet is a necessary component of my child's education.
- I understand that any conduct by the student named below that is in conflict with these responsibilities is inappropriate, and such behavior may result in the termination of access and possible disciplinary action.
- I have reviewed these responsibilities with my child, and I hereby grant permission to WBSAU to provide Internet network access.
- I agree to compensate the WBSAU for an expenses or costs it incurs as a result of my child's violation to the Internet policy or administrative procedures.
