

Policy IJNDC-E - Agreement to Publish Student Information on School Department Websites and Social Media Pages

The West Bath School Administrative Unit (WBSAU) maintains official websites and authorized social media pages to provide general information about the school system as well as information about educational programs, extracurricular activities, school events and student and staff achievements.

Maine law requires public schools to obtain written approval from parents/guardians prior to publishing personal information about students on the Internet.

This form will authorize the WBSAU to publish the following:

- A. Full names of students in connection with class rosters, honor rolls, awards received, and team/extracurricular activity participant lists;
- B. Group and/or individual photographs of students (students will not be identified by name); and
- C. Individual student or class work may be published on the school system's websites periodically in accordance with established guidelines. Such work may include creative writing, research projects, artwork, music, performances, and audiovisual presentations. Copies of the Board's Website Policy and Guidelines are available at the school office or on the school system's website at <http://www.westbathschool.org>.

Please complete and return the agreement form on IJNDC-E(2) to the school office within the first week of school. This agreement will remain in effect for the entire school year unless it is rescinded in writing. If the form is not returned, neither your child's photograph nor school work will be published on the WBSAU websites or authorized social media pages. If you have any questions, please contact the Building Principal.
